Guidelines for the authors of the papers published in the conference proceeding

The output of the conference will be a conference proceeding in CD-ROM format. Submitted academic papers must undergo the procedure of approval by the scientific committee and reviewers. In order to be published the paper must satisfy the conditions - **meet the prescribed format, meet the date of delivery.**

The authors will be contacted via email about acceptance/refusal of their paper.

Papers to be sent: via email: konferenciapp@gmail.com, or delivered in person on a CD, DVD, USB carriers the day of the conference, at the latest.

Speech and presentation: maximum length. 10 minutes. A presentation shall be presented by using data projector in MS Office Power Point on CD, DVD, USB carriers. The authors are kindly requested to take into account the time limit.

Maximum length: 10 pages, including literature, tables, pictures, graphs, figures and references

Text formatting:

- Papers shall be divided into introduction, closing and sources, pages shouldn't be numbered
- Text format: doc., docx.
- Line-spacing: basic
- All margins: 2,5 cm
- Alignment of the text: block
- Labeling of tables, graphs, pictures:
 - Table. Number, Name of the table – positioned over the table, left centered
 - Graph, Number, Name of the graph – positioned under the graph, centered
 - Picture. Number. Name of the picture – positioned under the picture, centered

Font type: Times New Roman, type and size are further specified below

- Headline: font size 14, bold, centered
- Name and surname of the author (authors) without titles: font size 12, bold, centered
- Abstract: font size 11, normal – written in one of the languages of the Conference and in English or any other foreign language
- Text: font size 12, normal, use tabulator at the beginning of each paragraph
- Headlines of the sections: font size 12, bold, separated from the rest of the text by one line
- **Please note, to state information about the author : title, surname, name, workplace and contact at the end of the paper**
- Citation must be in accordance with the norm **STN ISO 690: 2012**

We recommend the authors to use the **author/date system (Harvard referencing style)** when they use references and cite background literature (sources) at the end of the document. The name of the author and the year of publication in citation is applied in following format, for example: (Kimlička 2001). If you quote specific parts from a source you need to include the page number of the quote or passage: for example: Kimlička (2002, s. 103 – 115). If two or more sources share the same author and publishing year, to distinguish between them it is necessary to put letters behind the year in the brackets; for example: (Kimlička 2004a, s. 120) Reference list entries are organised alphabetically with regard to the names of authors. In case of multiple authors, they are distinguished by comma. sa vypísať všetci autori alebo prvý autor a skratka a kol., príj. et al. **Please note that the name of the first author shall be written in inverse order, whereas the names of the second and other authors are written in order.** For example. KOMOROVÁ, K., L. ROHOŇOVÁ a M. GAŠPAROVÁ

Examples of reference list entries:

Guidelines for the authors of papers that will be published in the database Web of Science

The second conference proceeding containing selected academic papers will be sent to the database Web of Science. By submitting the paper, the authors claim that the article is their **original work** and that it has not been published yet, as well as; the author agrees that the article will not be sent to any other publisher during the process of reviewing.

The article must be **written in English** and the author is responsible for **language correction** before the article is sent to the scientific committee of the Conference. The manuscripts that do not reflect the themes of the Conference or that contain errors in formatting or language will be rejected.

Papers should be sent: before deadline, via email: konferenciapp@gmail.com

Maximum length: 10 pages, including literature, tables, pictures, graphs, figures and references

Text formatting:
